

## **Experiential Learning Theory Bibliography**

**Recent Research 2005-2007**

**Prepared by Alice Kolb & David Kolb**

The bibliography contains recent references on experiential learning theory from 2005-2007. The bibliography is in PDF and formatted in APA style. Many research studies listed in the bibliography can be accessed through research databases such as: Social Science Citation Index, MEDLINE, Education Abstract, Dissertation Abstract, ERIC Document, Google Scholar and others. For online access to the bibliography, the Learning Style Inventory and other experiential learning resources go to [www.learningfromexperience.com](http://www.learningfromexperience.com) or [www.hayresourcesdirect.com](http://www.hayresourcesdirect.com).
